Dear Dave:

So how was Acapulco! I'm sure it was wonderful. I've been trying to get in touch with you by telephone for a few days in order to find out the status on a few issues.

- Britton wanted me to confirm your trip to New Orleans on the 19th of February since he will be out of town the following week. Also, if you do come to visit on the 19th, will you be staying through Mardi Gras. I have reservations for you at the Sheraton arriving on the 19th and departing on the 24th.
- What's the status on the Frequency Agile Radio patent application. According to my file, the response to the 8/21/92 Office Action was the most recent matter handled. Are we just in a holding pattern on this one; what's next?
- Wireless Alarm - Serial #782,345 - Steve Fant said he spoke with you about this, but he did not give me details. Britton and I would like to know the status. Are we filing a disgruntled employee affidavit; do we need to let it go abandoned then revive it?

Please call me soon so we can discuss these few issues. Thanks.

Sincerely,

Erin C. Pierce
